

**The Rise and Fall of the House of Medici**  
**Christopher Hibbert**  
**Foreword by Harold Acton**

It was a dynasty with more wealth, passion, and power than the houses of Windsor, Kennedy, and Rockefeller combined. It shaped all of Europe and controlled politics, scientists, artists, and even popes, for three hundred years.

It was the house of Medici, patrons of Botticelli, Michelangelo and Galileo, benefactors who turned Florence into a global power center, and then lost it all. 361 pages

Printed on Buhl Wove paper at St Edmundsbury Press, in full Jacquard cloth woven by Van Heek-Scholco, Holland. No Slip Cover, book and cover in great condition.
